Further information

About me Hello, my name is Abdurahmon, and I am a front-end developer. Currently, I am studying at IT Park University, which has been established in collaboration with EPAM Systems, marking the first of its kind in Uzbekistan.

I have a junior-level proficiency in ReactJS and am actively seeking a job to further enhance my knowledge. You can find my portfolio page at https://bekzotovich.uz, and my GitHub account is https://github.com/abdurahmon27. Additionally, my blog posts can be explored at https://blog.bekzotovich.uz.
